## **STS # 376243:**

Premier Handicap Services is a locally owned Non-Emergency transportation service company; providing reliable transportation services (STS) for individuals with special needs. We pride ourselves with on time pickups and drop offs, gentle care and comfortable rides. We treat your love ones like family, with dignity and respect.

Our drivers are well trained in first aid, passenger assistance and defensive driving. We cover the entire twin cities area and beyond. In addition to our medical transportation services, we also offer long distance travel, with prior arrangement, and also limited transportation to some family and social functions within our policy.
